

[2022 INTERNATIONAL DAY]

Opening Remarks for ALT

Good morning. Today is International Day. Today is a good day.

I can speak English very little. After this, May I speak in English?

Thank you.

So, Let's get started.

Thank you for coming to our school today.

I am the principal of Shimabara Shonan High School.

My name is Satoshi Namba. My speciality is aqua culture.

Especially, seaweed, plankton.

Recently, Now, I feel the very importance of English conversation.

For Learning. For work. For fun. And above all, to build peace.

A long time ago. World war second.

One bomber pilot said.

If there was a friend of mine under this sky, I wouldn't be able to drop a bomb. But now I don't know anyone. I can pull the lever to drop the bomb.

Today, Please lend us your strength to build peace.

For us to be friends.

Do you agree with me?

Thank you for your mind.

※ I pray, Let's spread peace from Shimabara Shonan High School.
